ARTICLE 1 – COMPENSATION PROVISIONS

SECTION 1.1 MERIT PAY PHILOSOPHY

A. The merit pay philosophy for the City of Torrance Executives and Managers is to:

SECTION 1.2 SALARY METHODOLOGY

4. There shall be a potential for an extended pay adjustment up to 15% beyond the reference point for a performance rating of Meets or Exceeds Expectations.

4. This funding amount shall be referred to as the Department Pool.
5. Funding of executive staff annual merit increases, exclusive of the City Manager and the City Attorney, shall be based upon the City Manager's 1% Executive Staff Cost Factor from the April Labor Compensation Report, adjusted for vacancies. This funding amount shall be referred to as the Annual Fiduciary Department Pool.

SECTION 3.1 INSURANCE

A. General Insurance

1. The City pays the PERS statutory minimum per month for each employee and eligible annuitants toward medical insurance. The PERS statutory minimum contribution can only apply toward the health insurance premium of one of the authorized PERS health insurance plans. If the employee does not participate in the PERS insurance plans the PERS statutory minimum cannot be used for any other purpose. The Fire Chief will be eligible for retiree medical benefits as an associate member of the Fire Association. The Police Chief, if qualified, is eligible for retiree medical benefits as set forth in the TPOA MOU, Section 6.3.C.2.a, with method of payment as set forth in Section 6.3.C.4.
2. In addition to the PERS statutory minimum, Active Employees shall be provided with an amount, which may be used by the employee to pay for approved health insurance plan premiums, dental, or vision insurance as follows:

Health Insurance				
	No Coverage	1 Party	2 Party	Family
PERS Statutory Minimum	\$0	Statutory Minimum	Statutory Minimum	Statutory Minimum
City Cafeteria Contribution	\$0	Total – Statutory Minimum	Total – Statutory Minimum	Total – Statutory Minimum
Totals	\$0	\$392.68	\$785.36	\$1,020.96
Any amount remaining may be used to offset family dental or towards 2 party or family vision.				

Members who opt out of the cash contribution option cannot select that option in the future. Employees hired after date of ratification of this Resolution will only have the option of single, two-party, and family health insurance coverage.

Given the increases to the health insurance premiums provided for by this Resolution, it is the intent of the Resolution to eliminate the previously-provided cash contribution (i.e., city cafeteria contribution) to those employees who do not take health insurance from the City. However, given that existing employees who have not taken City-paid health insurance have been provided a cash amount as part of their compensation, it is the intent of the Resolution to "grandfather" existing employees as of the date of approval of this Resolution by the City Council with their current cafeteria cash amount of \$322. Employees hired after the effective date of this agreement will not be eligible for the cash in-lieu of selecting a health insurance plan option.

3. Medical Insurance for part-time employees hired prior to January 1, 2008:

	1 Party	2 Party	3 Party
PERS Statutory Minimum	Statutory Minimum	Statutory Minimum	Statutory Minimum
City Cafeteria Contribution	Total – Statutory Minimum	Total – Statutory Minimum	Total – Statutory Minimum
Total	\$345.79	\$674.48	\$871.66

Medical Insurance for part-time employees **hired after January 1, 2008:**

	1 Party	2 Party	3 Party
PERS Statutory Minimum	Statutory Minimum	Statutory Minimum	Statutory Minimum
City Cafeteria Contribution	Total – Statutory Minimum	Total – Statutory Minimum	Total – Statutory Minimum
Total	\$248.84	\$445.18	\$562.98

- B. The City shall cover each Category A employee under a \$100,000 accidental and \$200,000 term life insurance policy, and the City shall cover each Category B employee under a \$100,000 accidental and \$100,000 term life insurance policy. Please note that in accordance with insurance industry standards and provisions of the City's plan, benefits on the term life insurance are adjusted upon reaching age of 70 (65% of value) and the age of 75 (50% of value).
- C. Long Term Disability Insurance:
1. Employees covered by this Resolution qualify for the commercial insurance long-term/short-term disability program as follows:

- D. SECTION 3.4 SICK LEAVE

A. Introduction

1. Sick leave is a benefit and not a right and is to be utilized by employees who are unable to work because of an injury or illness not arising out of the course of their employment, except as provided otherwise in this section.
2. The sick leave benefit should be thought of as an insurance policy; it insures and protects employees from a loss in wages when they are unable to work because of an illness or injury.
3. The City considers good attendance to be a very important part of an employee's overall performance. Absenteeism creates a hardship on City operations and co-workers, resulting in work schedule disruptions and added costs.
4. Misuse of sick leave shall be grounds for disciplinary action.

B. Sick Leave Use

An employee shall be granted sick leave for the following reasons:

1. Personal illness or injury
Medical or dental appointments including preventative care. Employees are encouraged to schedule medical and dental examinations of a non-urgent nature outside of normal working hours. Appointments scheduled during normal working hours constitute sick leave, provided that the employee gives advance notice in accordance with departmental rules and regulations.

Forced quarantine of the employee is in accordance with community health regulations.

2. Family illness or injury:

Illness, injury or medical appointment of a member of the employee's immediate family which requires that employee's presence. Immediate family for the purpose of this section is defined as spouse, registered domestic partner, mother, mother-in-law, father, father-in-law, sister, brother, child or guardian, stepfather, stepmother, stepchildren, grandparents or grandchildren.

C. Accrual Rate:

Category A and B employees shall be granted six hours of sick leave per month.

D. Conversion of Sick Leave Insurance:

1. The employee may select to convert any sick leave granted but unused over three hundred (300) hours into cash or into the 457 deferred compensation plan at the rate of one hour of pay for each hour of unused sick leave. Requests for such payments or deferral to the 457 plan shall be made before the 1st of December each year. Payments shall be made no later than 30 days after date of request.
2. For those employees who do not wish to convert any sick leave in accordance with 3.4.D.1, any sick leave in excess of 500 hours on the books as of December 1st will be automatically deferred into the 401(a) plan for employees who have elected to participate in the 401(a) program ("participating employees") at the rate of one hour of pay for each hour of unused sick leave.
3. For employees who have elected not to participate in the 401(a) plan ("Non-Participating Employees") any accrued sick leave in excess of 600 hours on the books as of December 1 shall be converted into cash. Payments shall be made no later than December 31.
4. For "Participating Employees" in the 401(a) plan at the time of retirement, the provisions of Section 3.3.D (RHSP) shall apply. At retirement, (minimum of age 50 and 5 years of service with the City of Torrance) each hour of accumulated sick leave shall equal 100% hourly rate of base salary.
5. For "Non-Participating Employees" at the time of retirement, the provisions of Section 3.3.D (RHSP) shall apply, as well as the provisions below. For all employees at the time of separation from the City, after the appropriate years of service, an employee shall have his/her accumulated sick leave balance converted into cash or deferred into a 457 account as follows:
 - a. After one year of service, each hour of accumulated sick leave shall equal $\frac{1}{4}$ hour of base salary;
 - b. After seven years of service, each hour of accumulated sick leave shall equal $\frac{1}{2}$ hour of base salary;
 - c. At retirement for non-participating employees, or upon separation of any employee who meets PERS eligibility for retirement, (minimum of age 50 and 5 years of service with the City of Torrance) each hour of accumulated sick leave shall equal 100% hourly rate of base salary.
6. In case of death of an employee, each hour of accumulated sick leave shall equal one hour of salary to be paid to the employee's designated beneficiary.

E. Sick leave standard:

1. Use of sick leave shall not necessarily in and of itself constitute misuse. However, sick leave use not related to a legitimate illness or injury, which exceeds standard usage and/or which has a predictable pattern, may initiate a review of sick leave usage. If it is determined that an employee has misused their sick leave, the employee shall be notified of any restrictions or requirements to be placed upon the employee's use of sick leave regarding notification or use of other accrued leaves in cases where there is insufficient sick leave available.
2. Components of the sick leave standard may include section/division/department sick leave utilization average, taking into consideration the number of incidents and the numbers of hours used, paternalistic sick leave use, depleted sick leave and/or other elements as reasonably established in the departmental work rules.

F. Notification of sickness:

1. To receive compensation while absent on sick leave, employees shall notify the section/division/department in the manner provided in departmental rules and regulations stating the nature or reason for the absence.
2. An employee who has been counseled about sick leave usage within the preceding twelve (12) months may be advised, as part of said counseling, that he/she will be required to furnish reasonable evidence, including a written statement from a medical professional, to substantiate any request for sick leave of two (2) days or more.
3. A department may require a written statement from a medical professional without prior counseling where the absence is greater than five (5) consecutive workdays, or in cases where there is evidence of a specific violation of departmental work rules.

G. Return from sick leave:

Upon return from sick leave, an employee may be required by the department head to report for examination by the City medical examiner to determine fitness for duty.

H. Depleted sick leave:

Employees who have insufficient sick leave accrued to cover an absence may request the use of other accrued leaves, according to departmental work rules. If no other accrued leaves are granted, employees are required to apply for a leave of absence without pay at the earliest possible time; that is, at the beginning of the leave or immediately upon return to work. Failure to submit the request for leave will constitute unauthorized absence, which could lead to disciplinary action. Such a request for leave shall not be unreasonably denied.

- I. The employees covered by this resolution are eligible to participate in the Catastrophic Leave Program described in Attachment B.

SECTION 3.5 INDUSTRIAL INJURY LEAVE
